# Get comfortable with the amalfi central heating pellet fire

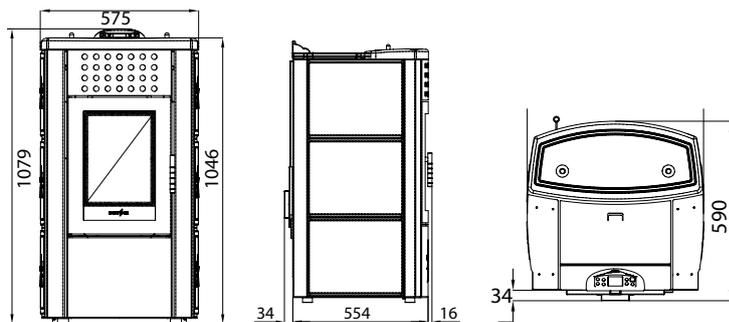

The amalfi pellet fire combines a stylish, compact room heater with an economic, hydronic central heating boiler which will deliver comforting warmth to your home along with the great look and feel you can only get from a real flame.

- 79.8% Efficient
- 8.4kW max. heat output (80% to water, 20% radiant to room)
- Runs on renewable, sustainable, wood pellet fuel
- Stylish Italian design in a range of colours
- Push button technology for easy operation
- Proven performance in Europe, now available in New Zealand.

## Features & Benefits

- **Free-standing design**  
fits easily into many spaces
- **Radiant and Central Heating**  
control over which rooms are heated and when
- **Burns renewable, NZ made, low emission pellet fuel**  
virtually smoke free combustion for healthy, clean air
- **Steel construction**  
long lasting, durable, with stylish, clean lines
- **Automatic ignition**  
easy to use, time saving for cleaner, faster warmth
- **Timer thermostat**  
convenience & comfort: come back to a warm home
- **Remote control**  
temperature control at your fingertips
- **Digital display**  
convenient viewing access of all programmes & functions
- **Glass cleaning system**  
an air pocket between glass & flame prevents ash build up and keeps the door glass clean for many hours of burning
- **Clean Air approved, National Environmental Standards (NES)**

### Performance

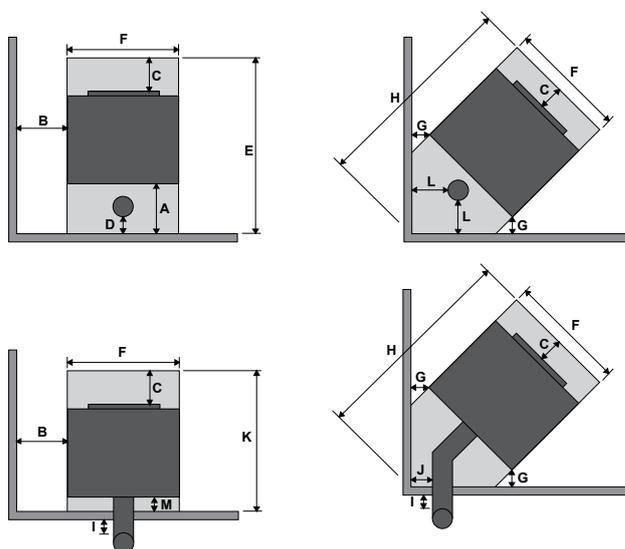

Efficiency	79.8%
Maximum heat output*	8.4kW
Hopper capacity	25kg
House type**	small to medium

### Optional Extras

- black
- bordeaux

\*approx. 6.7kW water, 1.7kW radiant  
 \*\*Subject to insulation levels

### Clearance to combustibles

Made from pure New Zealand radiata pine wood waste, wood pellets made by Nature's Flame are uniform in shape, low in moisture and high in energy. Wood pellets are an economic, clean, fuel alternative which burn with very low emissions and barely any ash. Easy to store, good for the planet, and easy on your pocket, wood pellets are the fuel of the future.
