CLUTHA

ULTRA-LOW EMISSION (ULEB) WOOD FIRE RANGE

The new Masport Clutha ULEB Wood Fire is inspired by and named after New Zealand's second longest river. The Clutha river is famous for its swift-flowing turquoise, ultra-clean water originating from the glaciers. Similarly, the Clutha Wood Fire has a contemporary design suitable for small to medium homes and ultra-clean burning, making it ideal for homes with a wide range of decors throughout New Zealand.

CLUTHA

ULTRA-LOW EMISSION (ULEB) WOOD FIRE RANGE

The Clutha Wood Fire has a portrait orientation, a compact footprint, and an expansive viewing window to see the fire inside. The Clutha is fitted with Ceramic Fire Bricks and Stainless Steel Boxed Baffle; both provide best-in-class performance and durability, ensuring unrivaled performance and low maintenance, which lowers running costs over the life of the fire.

- ▶ Ultra-clean burning that is better for air quality
- ▶ Contemporary design suitable for a wide range of décors
- ▶ Large portrait window with an expansive flame view
- ▶ Three base options to suit your needs and taste
 - Concealed, easy clean Ash Pan base*
 - Convenient wood storage solution with Wood Stacker base*
